These figures include both estimated and actual value of grants

## EDCTP portfolio of projects: Tuberculosis

### By activity

- Collaborative clinical trials and clinical studies, 16 grants  
**€115.30 M**
- Fellowships, 20 grants  
**€5.34 M**
- Evidence-informed policy, 2 grants  
**€3.36 M**
- Pharmacovigilance, 1 grant  
**€3 M**

### By medical intervention

- Drugs (treatment and prevention), 8 grants  
**€65.38 M**
- Vaccines, 3 grants  
**€31.82 M**
- Diagnostics, 5 grants  
**€18.10 M**

### By clinical trial phase

- Phase II, 6 grants  
**€54.52 M**
- Phase III, 2 grants  
**€21.75 M**
- Diagnostic trial, 4 grants  
**€18.11 M**
- Phase IV, 1 grants  
**€12.90 M**
- Observational study, 2 grants  
**€5.96 M**
- Phase I, 1 grants  
**€2.06 M**
