

EDCTP2 Prizes 2020

Awards have a strong potential to drive innovation through the recognition of achievements and the promotion of role models. The EDCTP Association intends to award four prestigious international prizes dedicated to the promotion of scientific research, improved health and Africa-European collaboration. These prizes are presented to outstanding individuals and research teams, especially from sub-Saharan Africa and Europe, and are awarded at a prize-giving ceremony at the biennial EDCTP Forum. The Tenth EDCTP Forum will take place in Maputo, Mozambique, from 17-20 October 2021.

The **four prestigious prizes** are:

The natural person nominating will have to provide proof of eligibility and a written presentation of the achievements of the contestant, which will be presented to an independent panel of experts for evaluation.

Type of action

The EDCTP prizes are recognition prizes funded under Horizon 2020.

Prizes are financial contributions given as rewards following the publication of a contest. A 'recognition prize' is used to recognise past achievements and outstanding work after it has been performed, whereas an 'inducement prize' is used to spur investment in a given direction, by specifying a target prior to the performance of the work.

The Rules of Contest lay down the conditions for participation, the award criteria, the amount of the prize and the arrangements for the payment of the prize to the winners after their award. Model Rules of Contest are set out in [section 6.6 of the EDCTP Annual work plan 2020](#).

The amount of the prize is specified in the contest. It is not linked to the costs incurred by the winner.

Application

- The Prize contests will remain open until **Thursday 29 October 2020 at 17:00 CET**.
- Applications must be submitted by the (lead) participant via prizes@edctp.org

- Prize winners will be notified in advance of the the Tenth EDCTP Forum (see General Annexes 6.6 for Model Rules of Contest (RoC) for EDCTP2 Prizes).
